

CLEARBROOK TAKE-AWAY FAMILY-STYLE DINNERS

Here's our FAMILY-STYLE selections... just like AT the restaurant but ready to eat at home, including everything included when at The Grill Room! Order directly through our WEBSITE Grill Room Page and our ORDER ON-LINE button. You pay contact-free on line, and pick-up at our Bar entering through our Front Door. These FAMILY DINNERS are priced below our restaurant prices to encourage you to buy them (since our seating space has become more scarce). But if these don't scratch your itch, our entire menu is available for take-away, like always. Plus, if you're a member of our Dining Club, you can earn points with every purchase.
